

ITT Technical Institute 

To whom it may concern:

I have known Eligio Espinoza for approximately two years in my capacity as a teacher at ITT Technical Institute. He had very good grades in my class. Based on his grades, attendance and class participation, I'd rate his academic performance in my class as excellent.

Eligio has a number of strengths to offer. He is always interested in supporting others. He was always very active working in groups on projects. Eligio was always willing to help other and he is a team player. His determination and drive would always push him to complete a given task within allotted time frame, while still producing quality work.

In conclusion, I would highly recommend Eligio Espinoza. If his performance in my class is any indication of how he'd perform in the real world, He will be a positive addition to any organization. If you should ever need any additional information you can feel free to contact me at (954) 476-9300 or by email at camos@itt-tech.edu anytime.

Sincerely,

Courtney Amos
